Will be hosting this event at:

The Comstock  
Community Center

Kalamazoo, MI 49048

Area 34 Assemblies are held monthly on the 3<sup>rd</sup> Sunday. AA representatives throughout the Area travel to different districts and gather to provide service to all AA Groups in Western Lower Michigan & the Eastern

Upper Peninsula. The Assembly is where we elect our Delegate to the General Service Conference, as well as form various committees to serve the area and host workshops every other month throughout the year. The Assembly comes to order at 10:30 am. Lunch is served at noon and business is usually concluded by 4pm. District 4 (Kalamazoo & the surrounding area) hosts this event annually. We reach out to all District 4's AA groups and members for help and participation each year. We have had successful response to this in the past as members have taken up these AA service opportunities. There are various tasks that need to be accomplished and we can find a good fit for anyone who wants to help.

Here are some of the things we will be doing:
